Still Undecided? Hear why other Ursinus students chose their major, or really, why the major “chose” them…

“In high school I fell in love with learning about events and influential people of the past. At Ursinus I felt at home in the history department with the wonderful professors, unique classes, and lasting friendships I’ve made with other History majors. History chose me.”

~ Morgan Larese, Class of 2018

Which major will choose you? A Career Advisor in the Career and Professional Development Office can help you find out. Schedule an appointment today!
