May 28	F	2025 Orientation

In order to navigate the COVID19 pandemic, this semester will have Break Days interspersed in the semester in lieu of a spring break week. Due to scheduling conflicts, some, but not all, laboratory courses will have to meet on the Break Days and a designated lab break week, March 8-12th, will be built into specific courses in those instances. Please refer to your specific course syllabus to see your designated laboratory schedule.
