

Class of 2018 Career Outcomes

Graduates are employed, attending graduate or professional school, participating in service or volunteer opportunities

Danielle Kuller '18, an Applied Economics major, gained employment as an Operations Analyst with Clemens Food Group after graduation. Ursinus alumni at Clemens Food Group returned to talk about Supply Chain Management and Logistics Opportunities to current students. Shown from left to right are Danielle Kuller '18, Bryn O'Neill '14 Sales and Operations Planning, and Chris Carey '08 Vice President, Supply Chain.
