SENIORS: Do you utilize the GPS navigations system in your car or on your phone? The GPS is a tool to help you navigate where you are going. Here in CPD, we want to help you navigate your plans after graduation.

As you are sifting through your email, please keep your eye out for a **personal invitation** for your own GPS. CPD offers a **Graduate Planning Session** (GPS) with one of our career advisors to every senior. We are available to virtually meet with you and support you through your journey.
