The Personal Choice® Preferred Provider Organization (PPO) gives you freedom of choice by allowing you to select your own doctors and hospitals. You maximize your coverage by accessing care through Personal Choice's network of hospitals, doctors, and specialists, or by accessing care through preferred providers who participate in the BlueCard® PPO program. If you access care from a provider who does not participate in our network, you will have higher out-of-pocket costs and may have to submit your claim for reimbursement.
