

First-Year Student Library and IT Move-in Checklist

- ❑ **Library & IT Services**, located in the Myrin Library, can assist you with questions about or problems you may have with library research or technology while you are attending Ursinus College.
 - You can ask questions at the Learning Curve on the first floor of the Myrin Library.
 - For computer and technology-related questions, call Tech Support at **610-409-3789** or e-mail them at techsupport@ursinus.edu. You can also visit their website to find FAQ's and more at <https://www.ursinus.edu/techsupport/>.
 - For library or research-related questions, call **610-409-3607** or email library@ursinus.edu. You can also visit the library's website, which includes library hours & resources, at <https://www.ursinus.edu/library/>.

There are some things you should do before your first week of classes is over:

Tech Support Checklist

- ❑ Visit the Tech Support website (<https://www.ursinus.edu/techsupport>) and the "Ursinus Bring Your Own Device (BYOD)" page (<https://www.ursinus.edu/byod>) for various resources and instructions on how to do the following:
 - Connect your mobile devices and computer to the [Ursinus wireless](#) ("Ursinus Secure").
 - Connect your television to the [cable TV network](#).
 - Access and [map the network S-drive](#) to your computer.
 - [Download Microsoft Office](#) for free.
 - Learn how to use the [campus printers](#) (available in Myrin Library, Pfahler Hall, Olin Hall, Wismer, and the Floy Lewis Bakes Center).
- ❑ Log in to Canvas (<https://ursinus.instructure.com>) and:
 - Complete the [Canvas Student Orientation course](#).

Library Checklist

- ❑ Visit the library and explore! Feel free to ask for a brief tour at the main desk.
- ❑ Explore the library website for available resources: <http://www.ursinus.edu/library>.
