Accommodations for Accessibility and Disabilities: As the instructor of this course, I strive to provide an inclusive learning environment. If you experience barriers to learning in this course, do not hesitate to discuss them with me. The Office of Disability and Access also works with students who have any kind of disability, whether apparent or non-apparent, learning, emotional, physical, or cognitive, and need accommodations to increase their access to this learning environment. I encourage you to reach out to Dee Singley or Joanna Timmerman, the disability and access team, to discuss supports and accommodations you may need. The disability and access office is located in Lower Myrin, with the UCARE office.
